NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer*.

Approval recommended:

PRENTISS L. COONLEY,
Division Administrator.

WASHINGTON, D. C.,
April 1, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on an amendment to the Code of Fair Competition for the Academic Costume Industry.

Article V was amended by deleting paragraph (a) of Section 1, and substituting a new paragraph therefor, making payment of assessments mandatory on members of the industry.

An opportunity to be heard will be afforded all interested parties and all objections will be carefully considered by the National Industrial Recovery Board. The National Industrial Recovery Board has carefully considered the reports of the Industrial Advisory Board, Labor Advisory Board, Consumers' Advisory Board, Research and Planning Division and the Legal Division of the National Recovery Administration, which were made on this amendment.

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

It finds that:

(a) The amendment to said Code and the Code, as amended, are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code, as amended, complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Sub-section (a) of Section 3, Sub-section (a) of Section 7 and Sub-section (b) of Section 10 thereof.

(c) The amendment and the Code, as amended, are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code, as amended, are not designed to and will not eliminate or oppress small industries and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to effective date of said amendment.

For the above reasons, this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

APRIL 1, 1935.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE ACADEMIC COSTUME INDUSTRY

Amend Article V by deleting Paragraph (e) of Section 1 and substituting the following:

(e) It being found necessary in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(1) To incur such reasonable obligations as are necessary and proper for the foregoing purposes and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code.

(2) To submit to the National Industrial Recovery Board for its approval, subject to such notice and opportunity to be heard as it may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the industry;

(2) After such budget and basis of contribution have been approved by the National Industrial Recovery Board, to determine and obtain equitable contributions as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

(4) Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the National Industrial Recovery Board. Only members of the Industry complying with the Code and contributing to the expenses of its administration as hereinabove provided, (unless duly exempted from making such contribution) shall be entitled to participate in the selection of members of the Code Authority or to receive the benefits of any of its voluntary activities or to make use of an emblem or insignia of the National Recovery Administration.

(5) The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget, except upon approval of the National Industrial Recovery Board; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the National Industrial Recovery Board shall have so approved.

Delete Paragraph (g) of Section 2 of Article V.
